PORTISHEAD is an up and coming area, growing despite the gloomy outlook most of the national retail sector is facing. The Victorian High Street and modern marina are a great draw and alongside national chains are lots of independent shops offering a unique range of products and personal service.

■ The Outlet has been established for nine years and sells a range of products, including household goods, solid oak furniture, and stair lifts. The store also offers the fitting / installation of stair lifts, and owner Dave is an Elite Mobility agent. The Outlet offers a range of garden supplies, there is also a fancy dress

catalogue to view and the shop also sells fireworks.

The store is open six days a week from Monday to Saturday, including bank holidays, from 8am-5.30pm.

Find The Outlet at 82-84 High Street, or call 01275 814060.

■ Bryants Jewellers has a wide range of jewellery from amethyst to zircon.

Whether it's a piece of diamond jewellery, a watch or a pair of silver earrings, every piece is individually selected for its beautiful design and impeccable quality.

The store also offers valuations and a full repair service, caring for all types of precious jewellery, as well as undertaking remodelling and watch repairs.

All brands are considered for servicing, restoration and water resistancy testing.

Find the jewellers at 48b High Street, or call 01275 842862.

■ Better Bodies is a gym with a difference. The personal trainers are attentive and will ensure that your fitness programme is tailored to suit your individual needs whether you want to lose weight, tone up, gain stamina or get serious about lifting weights.

Better Bodies doesn't just cater for adults either; during the holidays children aged 11 and above will be able to take advantage of the Summer Sizzler where they can get unlimited use of the gym for only £30.

To enhance the experience even further the Beauty Bar salon has just opened up on the premises offering all aspects of beauty treatments including body wraps and Indian head massages with special offers every month.
