reflections celebrates quarter of a century

Recognising 25 years with an open-day

REFLECTIONS, a well-established Yeovil based company, is celebrating 25 years of trading on Saturday 27 September with an exciting open day.

From 9am until 4pm, the showroom open day will offer the chance to take advantage of some great promotions as well as prize draws, free gifts and refreshments. Representatives from selected companies will be present to answer your questions.

Located on Vale Road on the Pen Mill Trading Estate, Reflections is renowned for its commitment to providing outstanding quality and an extensive selection of distinct products, so whether you are planning home improvements or renovating a property, a visit to the showroom could provide all the inspiration you need, with something to suit all tastes and budgets.

All Reflections showrooms offer a comprehensive design service with a team of experts working with you at every stage of the project, from initial ideas to finishing touches.

As part of the free service, Reflections can arrange a home visit survey and offer computer-aided design (CAD) to achieve optimum design and layout, helping you to visualise your dream bathroom.

In addition, any home visits booked on the day will automatically qualify for promotional discounts upon ordering.

Reflections, which started trading as B.J.White more than 40 years ago in Bridport, is now a rapidly growing name throughout the UK.

Six years ago it became part of Plumbase, a supplier of plumbing and heating materials with more than 175 branches nationwide, so the Reflections brand comes with the reassurance of a major backer. For more information call 01935 382440.
